

## Education

**New York University** // Sept. 2016-May 2020  
*BFA — Film & Television Production*  
Minor — Web Programming and Applications  
Minor — Business in Entertainment, Media, & Technology

## Projects & Coursework

**NYU Entrepreneurs Festival** // 2017-present  
Serving as the Creative Director for the largest student-run entrepreneur event in the nation. I develop the brand design, create web and print content, and manage teams of fellow students.

**Tisch New Theatre** // July 2018-present  
Graphic designing posters, programs, houseboards for student directed, produced, and acted theater productions each semester.

**Sight & Sound Studio** // Feb.-May 2018  
Projects filmed and live-edited in a multi-camera sound stage. The final project was art designed, lit, shot, and reset in an allotted 2 hours.

**Sight & Sound Film** // Sep.-Dec. 2017  
A collection of 5 short films that I had to write, direct, and edit — each within 2 weeks.

## Technical Skills

- Production:  
Lighting, Sound Mixing, Photography
- Post-Production:  
Premiere Pro, After Effects, Avid, Pro Tools
- Graphic Design:  
Photoshop, Illustrator, InDesign
- Web Design & Computer Programming:  
HTML, CSS, Javascript, jQuery, Python

Edited 20-minute, multi-camera interviews with celebrities, journalists, and politicians to post on Salon's website and OTT channel.

**Video Intern** // May-Sep. 2017  
*NYU Entrepreneurial Institute*  
Planned, shot, edited, and animated graphics for short promotional videos.

**Teacher Assistant** // June 2015  
*Digital Media Academy*  
Trained and mentored classes for youth in film, animation, and music at Stanford University.

## About Me

I am a motivated filmmaker and designer with an interest in producing, marketing, and development for film and television. I am seeking internships where I can learn in these areas and contribute my media experience.

I am passionate about musicals, photography, quirky comedies, film scores, basketball, and dogs (especially labradors).
